Dear Karnika,

**Subject : The India Roundtable – Not Everyone Plays by the Rules in the Digital Playground
Addressing Online Child Sexual Exploitation
Habitat for Humanity Centre New Delhi, India | 3-4 October 2016**

The International Centre for Missing & Exploited Children (ICMEC) together with Tulir – Centre for the Prevention and Healing of Child Sexual Abuse, sincerely appreciate your participation and contribution at The India Roundtable. Your presentation on children's right to access the Internet and panel discussion on protecting children in cyberspace was insightful and informative. Thank you for sharing your own efforts in protecting children in the legal profession, as well as in the civil society space via the NGO FIRE – Foundation for Institutional Reform and Education, at the conference.

It was a pleasure to meet you again and I look forward to working together on the issue in the future.

Sincerely,

Bindu Sharma
Asia Pacific Policy Director
