Sub: Cyber awareness workshop conducted by FIRE at Rishi Chaitanya Ashram

Ms. Seth,

We sincerely appreciate the efforts made by FIRE in conducting the Cyber awareness Interaction workshop held at our Ashram on 4th June 2016. The interaction provided valuable safety tips and guidance to our 500 plus young participants on how children can protect themselves on Internet. The workshop was well appreciated by both participants and the faculty members present during your session.

We wish to conduct more such programs through FIRE in near future!

All the best for your future social initiatives which are not only vital but have become indispensable for the health and well being of our society.

Warm regards,

For Rishi Chaitanya Trust
